Disclosure of Mandates

Fearnley Securities AS

Last updated: October 31, 2026

Disclosure of Mandates

Disclosure requirements pursuant to Commission Delegated Regulation (EU) 2016/958 and the FINRA Rule 2241.
The following disclosures set out whether, in relation to the Recommendation Subject, Fearnley Securities AS and/or affiliates have:

i. acted as lead manager or co-lead manager in any publicly disclosed offer of financial instruments issued by the Recommendation Subject during the preceding twelve months;
ii. received compensation for investment banking services from the Recommendation Subject during the preceding twelve months;
iii. an expectation of receiving, or intending to seek, compensation for investment banking services from the Recommendation Subject in the following three months; and
iv. received compensation from the Recommendation Subject during the preceding twelve months for products or services other than investment banking services as well as identification of all categories of services offered (investment banking, non-investment banking securities-related, or non-securities services).
